STATE PEN OFFICERS.

The Board of Directors not yet
Done Filling Places.

SECRETARY AND ENGINEER NAMED

And a Few Guards Appointed, and
the Board Resists from its Labors
Until to-day, when the Treasurer
and More Guards will be Named.
Important Changes and Improve-
ments Ordered.

The board of directors of the state
penitentiary met again in the prison at
Moundsville yesterday, with all the
members present, and the day was put
in busily, yet all the matters demand-
ing attention were not disposed of.

The election of the officers was the
most interesting thing pending, espe-
cially to outsiders. The secretaryship
was first taken up, and three nominees
were before the board. These were
J. W. Wellman, of Wayne county,
Friend Cox, of Moundsville, the present
incumbent, and W. C. Meighen, also of
Moundsville. Wellman was elected
without much of a contest.

For the post of engineer the appli-
cants were D. W. Shafer, of Wheeling,
Conrad Wickham, the present incum-
bent, and J. C. Reynolds, of Charleston.
Shafer got the plum, thus far bearing
out the predictions heretofore printed.

A few guards were appointed. The
number employed was increased from
eighteen to twenty. The two new
places were filled, also a vacancy or two
caused by resignations. It is under-
stood there will be some removals,
necessitated by the new law, which
stipulates that but one guard can come
from any one county. This will make
places for a number of new ones, but a
much greater number of applications
are on file than there will be places to
give out.

No treasurer was elected, but it is
understood one will be to-day, possibly
from outside the board. It has been
the practice heretofore to elect a direc-
tor treasurer.

The superintendent was instructed to
advertise for bids for the construction
of 104 new cells, uniform with those in
the north wing. This will complete
the cell tiers in that part of the prison.
Proposals will also be invited for erect-
ing water tanks on the buildings.

The present chapel will be converted
into a hospital. In the middle will be
placed a barred hallway, separating it
into two rooms, one for the sick and the
other for the convalescent. This ar-
rangement enables a guard to see all
over both rooms without going in. The
upper story of the dining hall will be
taken for a chapel. The old one is too
small.

The prison is badly off for a hospital
now. Convicts in all stages of disease,
even dying with consumption, lie
around a stove in the common prison.
One of the directors said last evening
that it was marvelous that this had not
been attended to before.

Gratings will be placed over the front
windows into the warden's room and
guard room, to prevent outsiders from
breaking in, and a new semi-circular
gate will be placed in front of the main
entrance. Estimates were also invited
for placing an elevator in the superin-
tendent's residence.

WEDNESDAY'S FATALITY.

The Body of Kaywood Taken Home—Mr.
Sadler's Funeral.

The funerals of the two victims of
Wednesday's Main street tragedy will
occur this afternoon. The funeral of
James H. Sadler will take place at 2
o'clock from his late residence, No. 590
Pike street. It will be attended by the
pastors of the city in a body and by
battery D, of which the deceased was a
member. The interment will be at
Peninsular cemetery.

The funeral of James Kaywood, the
other victim, will occur this afternoon
at East Liverpool. The mother and
several sisters and brothers of the dead
man were here yesterday morning.

In Squire Gillespy's Court.

In Squire Gillespy's court yesterday
afternoon the cases of Ben Frazier, Wil-
liam Kirk and Richard Shanley, ac-
cused of stealing two overcoats from the
Y. M. C. A. hall some days ago,
were called, but postponed till 2 p. m.
to-day.

Blinker McClintock was arraigned on
a charge of stealing \$200 from Mr. Libbie,
who lives near Marietta. The case was
partly heard and continued until
Squire W. W. Rogers returns to the city,
as he issued the warrant.

West Virginia at Chicago.

Mr. John S. Naylor, one of the West
Virginia World's Fair commissioners,
has returned home from the opening of
the fair. The West Virginia headquar-
ters are now all ready and they compare
favorably with those of sister states. A
postoffice has been established in the
state building, and all West Virginians
going to the big fair can have their mail
addressed to "West Virginia Building,
World's Fair Grounds, Chicago, Ills.
This will be a great convenience.

"Only a Farmer's Daughter" To-night.

This play bears the unmistakable
stamp of originality and genius. Its
plot is full of interest, its dialogue beau-
tiful with poetry and sparkling with
wit, while its characters are firmly
drawn and brilliantly colored. The
"Only a Farmer's Daughter" company
will open a two-nights' engagement at
the Grand opera house to-night, with a
grand matinee to-morrow. Seats are
now on sale at the Grand opera house
box office.

A NOTABLE MARRIAGE

By Which a Wheeling Young Lady Be-
comes the Bride of a New York Physi-
cian.

The handsome residence of Mrs. E. J.
Stone, on South Front street, Island,
was the scene of a notable wedding last
evening, the occasion being the mar-
riage of her daughter, Miss Lizzie
Stone, to Dr. G. W. Tallson, a promi-
nent New York physician. The large
parlors and hall never presented a
more brilliant and beautiful scene than
when thronged with the guests and
bright with the profuse floral decora-
tions. The flowers were arranged in
the most charming manner. All of the
fire places and corners were covered
with lilies, cut roses, hydrangeas and
potted plants.

The most pleasing arrangement was
in the big bay window in the main re-
ception parlor, where the ceremony
was performed. Overhead were gar-
lands of smilax, entwined with large
white lilies, forming a network beneath
which was placed an altar covered with
white silk and roses.

Behind this was stationed Rev. J.
Sumner Stone, of New York, a brother
of the bride, who performed the cere-
mony. He was assisted by Rev. Wesley
Davis, of Washington, Pa.

Promptly at 8 o'clock the strains of
the wedding march, played by Prof.
Summers, announced the bridal
couple's approach. They were pre-
ceded by four nieces of the bride as
flower girls, all attired in white silk.
They were Misses Virginia Stone, Helen
Jones, Nellie Davis and Katherine
Stone. At the foot of the stairs they
stretched a white ribbon to form an
aisle among the guests. These com-
pletely filled the parlors, notwithstanding
the affair was quiet and only the
relatives and most intimate friends
were present.

As soon as the impressive ceremony
was performed the guests pressed for-
ward to shower the happy couple with
congratulations. The reception lasted
several hours, during which a bounteous
wedding supper was partaken of.

Mr. and Mrs. Tallson left last night
on the 10:30 o'clock B. & O. train for
Cincinnati. They will make an ex-
tended southern tour before returning
home, New Orleans being the objective
point. In the future they will reside
in New York. The bride will be greatly
missed from her large circle of friends,
by whom she was highly regarded for
her many estimable and charming
traits of character. Their love and
esteem was shown by the numerous
gifts of remembrance, embracing a
valued assortment of everything useful
and ornamental in bric-a-brac, gold and
silver and household articles. The
couple will be followed by the best
wishes of all.

Among the guests from out-of-town
present were Rev. S. E. Jones and wife
and Miss Blanch Kendall, of Parkers-
burg; Mrs. Crane, of New York; Mr.
Tallson, of New York, a brother of the
groom, and many others.

MASON NOT MARRIED.

The Probate Judge Refuses to Grant the
License Necessary.

A wedding announced to take place
in the mayor's office in Martin's Ferry
at 7 o'clock last night did not material-
ize. And a strange wedding it would
have been. George Mason, who has de-
ceived several girls, was to have been
married to Mollie Creighton, one of his
victims, who had lived with Mason two
years, and bore him two children.

After the departure of Effie Findley
to Pittsburgh yesterday Miss Creigh-
ton, who has been known as "Mrs. Ma-
son," called at the city jail and had a
long interview with the light-haired,
gay youth. She proposed to withdraw
her charge against him if he would
marry her and live with her. This was
agreed upon and a marriage license was
necessary.

Policeman George Murphy went to
St. Clairsville for this document and
Probate Judge Tallman refused to grant it
until he was assured that Mason had
been divorced from his first wife, who
was Gertrude Painter, now at Appolo,
Pa. Mr. Murphy could not swear to
this, consequently the wedding was de-
clared off.

Mason says he was married to Miss
Painter when he was only sixteen, lived
with her six years and was divorced at
Kittanning, Armstrong county, Pa., in
1889. He further stated that he had her
arrested on the charge of adultery. He
expects to return to work at the Stand-
ard mill if he gets out.

Effie Findley regretted to leave
George yesterday, but preferred to go
home rather than to the workhouse.
She had been in jail with George since
Tuesday, and entertained him and
others by singing "Home, Sweet Home,"
"Jesus, Lover of My Soul," "Darling, I
Am Growing Old," "The Man in the
Moon," "Do They Miss Me at Home,"
and so on.

Slight Trouble at Don.

Last evening Phillip Lennard, a sa-
loon keeper at Don, appeared before
Squire Theodore Keller, of Martin's
Ferry, and swore out a warrant for
Frank Cochran, of Patton's Run,
charging him with assault and battery
and malicious destruction of property.
He entered Mr. Lennard's saloon,
broke the windows and assaulted him.
Word was sent to the police headquar-
ters and Marshal Westwood went up
and arrested Cochran.

The Father of Many Ills.

Constipation leads to a multitude of
physical troubles. It is generally the
result of carelessness or indifference to
the simplest rules of health. Eugene
McKay, of Brantford, Ont., writes:
"I had for several years been a suffer-
er from constipation, had taken a
great many different remedies, some of
which did me good for a time but only
for a time, then my trouble came back
worse than ever. I was induced by a
friend, whom BRANDRETT'S PILLS had
benefited, to try them. Took two each
night for a week, then one every night
for about six weeks. Since that time I
have not experienced the slightest diffi-
culty whatever, and my bowels move
regularly every day. I believe firmly
that for sluggishness of the bowels and
biliousness BRANDRETT'S PILLS are far
superior to any other."

A Good Thing for Coughs and Colds.

The more Chamberlain's Cough Rem-
edy is used the better it is liked. We
know of no other remedy that always

have sold twenty-five dozen of it and
every bottle has given satisfaction.

BELLFAIRE.

All sorts of Local News and Gossip from
the Glass City.

Albert Davis is wanted by the mayor
for an assault upon William Boite, a
saloon keeper in the Fourth ward, with
a beer bottle. Davis bought a bottle
of beer at Dunlap's; went to Boite's
and sat down outside and deliberately
waited for Boite to appear. Finally he
came out of the saloon and started to a
cigar store, when Davis ran up behind
him and struck him with a full beer
bottle and felled him to the pavement
insensible. Henry Boite then followed
Davis and struck him over the head
with a poker. Davis was arrested but
allowed to go until the time fixed for a
hearing yesterday afternoon, his father
vouching for his appearance, but Davis
skipped out. Boite is seriously, but not
dangerously hurt.

The tie for councilman in the Fourth
ward between W. D. Jones and Louis F.
LaRoche at the last election was de-
cided yesterday evening by the mayor
and city clerk drawing lots as provided
in section 173 of the Ohio statutes, and
W. D. Jones was the lucky man. La-
Roche was a councilman, and has been
holding over since the election.

Is Life
Worth Living?

That depends upon the
Liver. If the Liver is
inactive the whole sys-
tem is out of order—the
breath is bad, digestion
poor, head dull or aching,
energy and hopefulness
gone, the spirit is de-
pressed, a heavy weight
exists after eating, with
general despondency and
the blues. The Liver is
the housekeeper of the
health; and a harmless,
simple remedy that acts
like Nature, does not
constipate afterwards or
require constant taking,
does not interfere with
business or pleasure dur-
ing its use, makes Sim-
mons Liver Regulator a
medical perfection.

I have tested its virtues personally, and
know that for Dyspepsia, Biliousness and
Throbbing Headache, it is the best medi-
cine the world ever saw. Have tried forty
other remedies before Simmons Liver
Regulator, and none of them gave more
than temporary relief, but the Regulator
not only relieved but cured.
